

Make Every Mile Count

Mav IC

**Industry Leading
Lease Purchase Program**

Family: Family means a lot, which is why we offer weekends at home; time with family, time for hobbies, and time for that much-needed break from the road. Home time is finally a reality at Mav IC.

Support: Mav IC is here to help you achieve success. We want to be your business partner and we show it through programs like FleetNet America, PrePass, American Truck Business Services, Transflo Express scanning access, and more. It's easy to see, we're always looking for ways to make your job easier and more profitable.

Financial Success:

The pay package and fuel programs offered at Mav IC equal financial success and stability for our lease purchase drivers. At Mav IC, your fuel worries are solved. As a division of Maverick Transportation, LLC, we are able to pass along large volume priced discounts for fuel, resulting in significant savings. Our fuel surcharge program means even more savings passed directly along to you.
